

**Dear Heads of Hub schools – Kanchipuram,**

Montfort is excited to invite the hub school students to take part in an online competition organised in view of the celebration of **Students' Day 2022**. Let's encourage our students of grade III to X to contribute their creativity through various skills as a respect and honour to our great inspirer Dr. Abdul Kalam on his 91<sup>st</sup> Birthday.

Kindly note the following competitions scheduled for respective classes:

GRADE	COMPETITION	TOPIC / THEME	DESCRIPTION
III	ORIGAMI	MY OWN ROCKET	Can use coloured A4 sheets to prepare a colourful Rocket.
IV	DRAW AND COLOUR	MY INSPIRING SUPER HERO	Draw on an A4 Sheet with a very short note about why you are inspired about the real or reel super hero you have chosen.
V	PENCIL SHADING	INDIA IN 2050	Imagine how India would be in the year 2050 and express your views through a drawing on an A4 SIZE CHART SHEET. Coloured pencils can be used for shading.
VI	SCRAP BOOK MAKING	STORY OF KALAM	Gather the sequential story of Dr.Kalam and project them using 3 TO 5 PAGES OF A4 SIZE SHEETS. You can use pictures of magazine / newspaper cuttings / any other source. <b>(Take photos of all the pages of your scrap book and convert them as a single pdf to submit)</b>
VII	POSTER MAKING	ADDICTION OF MOBILES AND IT'S DRAWBACKS	The poster can include informative ideas on addiction of mobile phones & its ill effects especially to school students. Can use a full or half size CHART depending upon the need.
VIII	ESSAY WRITING	DR.KALAM IS A GIFT TO THE WORLD OF SCIENCE	Essay should include why Dr.Abdul Kalam is said to be a gift to the world of science. Write 250 to 300 words using A4 SIZE PAPERS <b>(Take photos of all the pages of your essay and convert them as a single pdf to submit)</b> <b>Note: Only Hand written copies are accepted.</b>

IX	POEM	SCIENCE IS A MAGIC!	The Poem should convey the meaning of the 'Title' given within a limit of 20 lines. Usage of Figures of Speech is appreciated. Write using A4 SIZE PAPER. <b>(Take photos of all the pages of your essay and convert them as a single pdf to attach to the mail)</b> <b>Note: Only Hand written copies are accepted.</b>
X	SPEECH	CHALLENGES FACED BY KALAM (As a Scientist) (Or) CHALLENGES FACED BY KALAM (As a President)	Prepare a valid content that explains the title given and video shoot your speech for about 1 to 2 minutes. Attach as mp4 or You Tube link to the mail. <b>(The participant should mention their name, class and school)</b> <b>Note: Audio-Video of your recorded speech should be clear.</b>

#### INSTRUCTIONS:

- The school is requested to collect all the entries of your students and select 2 best entries under each category to forward to us.
- The content should include the name, class & section of the participant
- Take a snapshot of the activity along with the participant's photo (in .jpeg format)
- Forward the entries to **montforteco@gmail.com** on or before 27.10.2022
- All the final entries should be attached in a single mail to be forwarded from the school mail to the provided mail
- The Subject of the mail should be the name of your school
- The body of the mail should be containing the list of participants
- The name of the individual file (entry) to be attached in the mail should be in the mentioned format: **Name.class.event** (Example – Shibu.3.Origami)
- Best 3 entries of all the hub schools will be selected from each category for Prizes.
- The certificates for winners will be send to respective schools through post
- For any queries the respective School /Teacher in charge can contact 8754217266/8015665359 (Could reach us from Monday to Friday between 9:30 am to 12:30 pm)

#### CRITERIA FOR JUDGEMENT:

- Content Originality and clarity in presentation
- Innovative in ideas and relevant to the topic
- Thought process behind the presentation.
- Uniqueness in expression / pronunciation / grammar. (Speech/poem/essay)

Thanks in Advance to all the Heads of the hub schools for encouraging your students' participation which could help reading the minds of the growing student community.
