St. Louis Marie Grignion de Montfort

(31-01-1673 to 28-04-1716)

(Founder of the Montfort Brothers of St. Gabriel)

St. Louis Marie Grignion de Montfort was born on the 31st of January 1673 in a small village in Brittany in western France. The 17th Century France was passing through a grave crisis, economic as well as social added to this 95% of the population was illiterate. The French Revolution which was to come almost a century later was already brewing.

It was in this atmosphere, charged with tension that St. Louis de Montfort founded the Brothers to impart education to an illiterate France. Not many were willing to follow this stern austere and maverick saint. When he died on the 28th of April 1716, there were only five Brothers Montfortian institution were only a handful and limited to Western France, When the revolution broke out. There was anarchy until Napoleon came to rescue France and conquered almost the whole of Europe. In 1821, when the Brothers met, they were still only a handful and discouraged. They decided to launch out of France.

The Montfortian saga in India began when on the 11th of September 1903 three French Brothers landed in the French colony of Pondicherry.

There was still no Montfortian Institution in India. It was in the next year, 1904 that **first Montfortian Institution** was started at Tindivanam, now in Tamilnadu. This was a technical institution. It is still in existence and flourishing. It was not until the end of the First World War that the first English medium school “**Montfort School**” was started on the shevroy Hill in Yercaud.

From 1903 to 2023, Montfortian Institution grew in India from one to nearly 200+ and are now spread over almost all states and Union Territories, literally from Kashmir to Kanyakumari and from Mumbai to Mizoram.

Montfortian Institutions are spread over thirty countries, from Canada, Columbia and Peru to Fiji and the Tonga Island in the Pacific.

History of the School

The mission inspired through St. Montfort, added an amazing will of God to extend the vision of Brothers of St. Gabriel by planting a new institution in Theresapuram, Sriperumbudur, under the Province of Trichy, headed by the council of Rev. Bro. Mariannan, the then provincial superior. The happiest memory in the diary of Montfort is the year 2016, which writes about the delightful experience of the people of this Industrial hub, signing up their kids in Montfort school during the month of May. The confidence of Montfort gathered the initial trust of the people around to submit their dreams under the care of Brothers of St. Gabriel. The hard work and struggle to mount up our monument was made by Rev. Bro. Johnson, the project Director by which our Temple of Learning was open for co-education on 18th June 2016. Montfort School created its history by virtue of admitting 165 students on roll in the very first year of its inception for classes LKG to Grade V. Thus, incredible plan of God made Montfort school, theresapuram, as another new hand in service of this global educational mission.

The school got Affiliated to CBSE – New Delhi (Affiliation 1931064) and Recognized by the State Govt. of TamilNadu, also the Recognition (Reg:001-12-S-0060-0319) of Education department with Co-education. It's indeed our proud privilege in the history to record Rev.Dr.Bro.AntonySamy.Ph.D, our pioneer Principal, Montfort School, a fortunate master piece as well, for having been the architecture of our educational style. Abide by his lofty ideals and goals, the most beautiful

page of Montfort in 2016-17 is the initial appointment of 15 well qualified and experienced faculty and to add more beauty our systematic art of schooling raised up our strength to 365 in the year 2017-18. The school commenced to progress steadily with good infrastructure facilities and also feeding a quality education that conceived 484 students in the academic year 2018-19.

The showers of Blessings bequeathed a ceaseless care in enlarging our infrastructures year by year from 2016, promoting the updated facilities. The continued support for this colossal mechanism was handed over from Trichy province to the province of Bangaluru. Not just building got raised, even our trust among the people in the range of our school that admitted 1000+ colors into our classrooms during the Academic year 2023-24.

The uncertain situation, the Pandemic caused a barrier on the path of Schooling from March 2020. As like every problem has a solution for it, the technology paved way to connect teacher and the learner with a bond called network. Though each one of us were into different walls, Montfort was able to continue our joyful learning by finding inventive means of teaching. That kept up the strength up to 563 for the online academic year 2020-21. In fact, Montfort built over its Trust by earning the gratitude of all its staff members for sustaining them nevertheless the pandemic. Luckily the lockdowns provided space now and then to train up the students of class 9 and 10 in view of their public exam. Montfort takes pride in declaring the 100% result of its first and second batch of grade X with 492 as its highest score. It was the output of sacrifices of our teachers to find initiatives in connecting the students with their lessons. Montfort school is upgraded as Senior Secondary from the academic year 2023-24.

Montfort aids as a nerve in bridging the human society with our goals to create students as best as ever sketching the nation with the colours of human values. Montfortian student are sure to have 'fullness' in life and be a valuable citizen to the country, a faithful loving person to his family and friends, moreover a gratified human being, thereby released as the richest legacy of our palace as a gift to the world, to make this entire earth, a holy land!
